Total balance \$14,163.15

Operating balance of \$6,163.15

### Old business:

**Membership.** We currently have 220 members in the club.

**Hodson's Bay.** Dan is enthusiastic about the A/B ride separations. He also wants to have our club business cards in the shop.

**Club t-shirts.** WRR t-shirts will be available to members for around \$5.

### New business:

#### **Wabash River Ride.**

- **Registration.** Early preregistration is now closed (and preregistration open), with a total of 170 registered riders. This is about 100 short of our on-line total last year and probably ahead of our preregistration totals for previous years. We've collected \$4100 in registration fees, and after Paypal charges that still leaves about \$4000.
- **Music.** Howard is in contact with two musicians. We are still figuring out PA systems.
- **Publicity.** Howard dropped off fliers at local gyms, Melissa will post fliers in Lafayette, and Jane will drop off fliers in Indianapolis.
- **Benefits Card.** We currently have coupons from local ice-cream places and a coupon for a free appetizer from Texas Roadhouse.
- **Volunteers.** Andy is coordinating volunteers for the ride. Currently registration and the Carbondale SAG are covered. WalGreens will provide water for \$0.75/gallon.
- **Sponsors.** A potential new sponsor is NeoVision.

**Club calendar.** Currently only a few people have access to the club calendar. We discussed the possibility of having a designated person to manage the calendar.

**Next meeting:** Tuesday August 12 at 7:30

**Meeting adjourned**
