Review of Treasurer's report:

Wabash River Ride (WRR) reserve: \$8000
Total balance \$14,527.26
Operating balance of \$6,527.26

Old business:

Membership. We currently have 235 members in the club.

Wabash River Ride. 259 riders

- *Registration.* We currently have 259 riders registered; at this rate we likely will surpass last year's total (which was about 400). We also have about 25 people who have purchased t-shirts.
- *Music.* Howard is in contact with a band called *Black Water*.
- *Water/Ice.* Food Finder's ice machine died so they might not be able to provide ice, but the Bottle Shoppe can. Wal-Greens will provide water at a price of \$0.75/gallon.
- *Sponsorships.* EZ Tankless, Visit Lafayette, Food Finders, Hodson's, NeoVision, and The Bottle Shop.
- *Farmer's Market.* Melissa is working the booth on August 21st. Signups will be at a reduced price of \$25.
- *Cookies.* Great Harvest also donated cookies and brownies and muffins and 17 loaves of bread plus rolls. Cookies need to be dropped off at Kay's by Wednesday the 20nd.
- *Maps.* Howard will print the black and white maps of the route (front and back) and banquet tickets.
- *Volunteers.* We still need 3 AM mobile SAG volunteers. Melissa will post an announcement on facebook.
- *Club membership forms.* Andy will ask Dennis about having club membership forms available at the bbq.
- *Food.* This year we will order more chicken and less pork.

Jerseys. We decided to order 1 extra item in each of the 3 most popular sizes for club members. Currently the total cost is \$3160. We would like to have members pay the company directly.

Club Membership Cards. Dan at Hodson's would like us to have WRCC membership card and is willing to distribute the cards. Chris will talk to Dan about it.

New business:

T-shirt Design. We considered talking to a high school art teacher to find a student designer for next year's banquet and river ride t-shirts.

Next meeting: Monday September 15 at 6:30pm.
