Review of Treasurer's report:

Wabash River Ride (WRR) reserve: \$8,000
Total balance \$12,762.02
Operating balance of \$4,762.02

Old business:

Club Banquet. The annual banquet was a success. Next year we will have the banquet at the Lafayette Brewing Company again, either on February 20th or 27th.

T-shirts. People were pleased with the t-shirt designs. We will plan to work with the local high school again next year. A possibility for t-shirts is to use a wicking material such as sport-tek instead of cotton.

New business:

WRR Sponsorships. We will send an email to the listserv with a list of potential sponsors so that people can start recruiting sponsors or adding sponsors to the list. We will offer a \$50 discount for small businesses owned by club members. Greg said that Talbert Manufacturing Inc will sponsor at the \$100 level.

New Rider Callout.

- **Shelter.** Andy has reserved the south shelter for May 9th.
- **Food.** Dennis will talk to Jimmy John's about catering. However, if this Jimmy John's has a non-compete clause, we will go to Subway instead. We will also offer a \$50 discount on a non-basic (\$100) sponsorship to whoever caters.
- **Signs:** Dennis and Renea will have a registration table with signs for different ride levels. The A and B groups will be combined and split as the ride goes on. We will announce that people who are new to the club should consult with a ride leader before going.
- **Drinks.** Tom and Carol will take care of drinks.
- **Misc:** The fastest riders should leave first. A last minute check with the rider leaders before everyone heads out would be helpful. Perhaps Dan could be there for mechanical help at the start. Janell offered to be a mobile SAG in her Jeep.

Next meeting will be Monday, April 13th 6:45pm.
