New Rider Callout.

- Dennis will be in charge of getting the subway sandwiches.
- Howard will contact ride leaders and ask each leader to have a secondary leader if the group splits. Each ride leader must talk to each new person before the ride to make sure they are in the right category.
- We will stagger leave times.
- Janell and her husband will have a Jeep and will be available for emergencies/first aid.

Dropbox folder. Janell will create a dropbox account to keep the club's files and share it with board members. The idea here is that the folder will be a central place to keep working files of material for the club such as WRR information, call-out ride posters, sponsorship letters, t-shirt designs, etc.

WRR.

Future advertising: A club member (Marty) has offered the use of a drone to film parts of the ride for advertising. Melissa will talk to Marty.

Sponsorships. Everyone keep looking for sponsorships!

T-shirts. Howard will email Mara about sending the t-shirts to Freckles.

Membership update. There are about 40 members on the list serve who have not renewed their membership for over a month. Howard will send another reminder to them.

Ride Coordinators. We talked about getting rid of ride coordinators. Previously ride coordinators helped schedule rides, but it seems like most ride leaders email Howard directly. Howard will email the ride coordinators to get their opinions.

Next meeting: Monday, May 11 at 6:45pm.
