Second by Pat

Approved by board

WRCC

Sign-up genius positions for WRRR are about ready. Shirts must be registered online and paid in advance. Pickup truck is needed for end of day pickup at SAGs needed.

Miscellaneous

Out of town rides are posted by Skip

**Old Business:**

Reflections on events we've done since our last meeting:

- April 30, Gravel Road Ride
  - ~24 people with rainy conditions. 4 local racers, 6 out of towners. Very competitive. Good road conditions despite rain. Lesson learned - tell people where finish is. Let race organizer rove, and have another person manage check-in. Possible time limit. Property owner was pleased and thinking of another event in collaboration with another event that he does.
- May 7 New Rider Callout
  - Good turnout. Safety rundown went smoothly. Tom as ride leader - no problems on rides. Location is better for starting and finishing than Battleground.
  - 21 new riders attended, 3 joined the club
- Drone flyover/photography
  - Filmed b group along the granville bridge.
- Newly released film for the Wabash River Ride (Melissa)

- o Melissa is interested in making bike tip videos in collaboration with local bike shops.
- Alfonso -bike month - bike to work day on Friday May 20th on pedestrian bridge. Stop by on bridge on way to work between 7:30-10:00 AM on the bridge

Giving away Corinne's bikes (Merlin road bike, size 46, and Trek mountain bike that needs repair)—can we talk process? Process to donate/sell. If sold, proceeds go to memorial fund.

### **New Business:**

Cooperating with other Bike organizations Bicycle Lafayette, West Lafayette Bike & Ped Committee, the Cities-County-Cyclists meetings: get Alfonso to report to us once a month on BL?

Pat needs an alternate to attend the CCC meetings when she's out of town or unavailable. Ask listserv if anyone is available to attend. Fridays during noon-time

West Lafayette Bike committee. Pat Attends, but would like alternate.

All club ride once a month Treat NRC as the first of these, do one in June, July, August, etc. Any interest? WRCC preview ride. Table at CASA. Ride leader for each group on the same day. Klein brot haus ride. Multiple paces, meet at same time at location. Try June 12th

Weekly women's ride (experimental basis): all level ride for women interested in the possibility of an empowering ride for women to gain confidence and bike maintenance and biking skills. I can announce it, but I need some others who're interested in helping run the ride, get the word out, etc. Also need to pick a time and location, and be sure we have people willing to lead different speed groups. Possibly interest from Kay, Melissa, Mindy Paulet, Sandy, Stacy, Molly, Chloe, Joyce, Carol, Laura, Kathy, Janet, Mary Finley, Pat; could try doing a gravel road ride sometime for a change-up. Cross-announce with Bicycle Lafayette

Opportunities to socialize after the ride. Start at Kalberer? Get out the word to Bicycle Lafayette. Workshops - change a flat. Mixed emotions on interest. Possibly more interest from outside club.

Outreach update Alfonso - Bicycle Lafayette Bike prom in space. Party for club. Carnahan Hall. Raise money with silent auction. WRCC donate entrances to the century to promote activism. Board agrees to donate 2 entrances.

**Next meeting June 13th 7:30.**
