- Unaccompanied minors on rides. Talk with parents. Bylaws allow with parent consent
- Bike Prom - upcoming Bicycle Lafayette event. Some WRCC members will attend

New business

- Figuring out how to list rides on club calendar so they're easy to find

Change women's ride posting on calendar to Women's ride rather than D.

- Non-WRCC members joining club rides: is this a problem, and if so how should we deal with this? Does not seem to be a major issue. Suggest ride leaders ask if there is any hard feelings towards the club, what can we do to encourage membership.
- Emergency contacts - encourage people to wear RoadID, add contact info to bike, helmet - this could be a newsletter article
- Jerseys Hincapie - interested in placing another order. Enough people who wants jerseys? Reproduce or new design. Collect money up front. Ryan Stremke offered to make a new design. Tom Moffett will see if there is interest.
